Associate Membership

Is it for you?

- Would inside knowledge of what millers want help increase your sales?
- Would being in a position to influence decision makers protect the interests of your business?
- Would keeping your finger on the pulse of current and up-coming issues concerning the flour milling industry assist in marketing your business?
- Would access to the focus of the flour milling industry help direct the forward plan and strategy of your business?
- Could your business benefit from additional opportunities for growth and promotion through attendance at **nabim** networking, social and learning events?
- Would the chance to study flour milling correspondence courses at discounted rates provide you with an edge over your competitors?

THEN ASSOCIATE MEMBERSHIP OF **nabim** COULD BENEFIT YOU.

Benefits of Associate Membership

Associate Membership of **nabim** for 2010/11 costs £525. The benefits of such membership include:

- Receipt of **nabim**'s press cutting circulation, a three-weekly distribution of relevant articles from all the major UK dailies;
- access to an associate members' area of the **nabim** website. This area includes industry statistics, briefings and reports.
- receipt of a monthly newsletter which covers relevant issues of the day as well as briefings of **nabim**'s current activities;
- a copy of the Annual Report detailing the association's activities;
- an invitation to the Convention, held annually;
- member discounts for each of the seven modules of correspondence courses run by **nabim**;
- eligibility for the Young Millers' Section, which meets twice a year and provides training and development for younger executives;
- membership of regional associations, where permitted by each region;
- eligibility to attend **nabim** seminars.
